

IFAPA TRAINING

for foster, adoptive and kinship parents and workers

“I Don’t Get It:”

Learning Disorders

This course will provide information about how people with learning disorders learn differently than typical learners. Symptoms of reading disorders, mathematics disorders, disorders of written expression, and non-verbal learning disorders will be reviewed along with experiential exercises to give participants a greater understanding of each disorder. Information will include how diagnoses are obtained, getting interventions in place with schools and at home, and strategies for helping your learner.

Approved for 6 Hours of Foster Parent Credit

About the Trainer:

Summer Brunscheen, Ph.D.

Dr. Summer Brunscheen is an Iowa native and received her B.S., M.S., and Ph.D. in Counseling Psychology from Iowa State University. She is a Licensed Psychologist who has been working at Central Iowa Psychological Services in Ames since 2002 providing individual psychotherapy and psychological evaluations for children as young as 4 years old, adolescents, and adults, using an integrative theoretical orientation. Dr. Brunscheen works collaboratively with individuals and their families on a variety of presenting concerns including adjustment & transition issues, emotional intensity disorders, ADHD, autism spectrum issues, learning disorders, behavior disorders, & mood disorders. Dr. Brunscheen is a strong proponent of bridging health care services across providers and school/work settings, having worked in a college student health center, hospital, community mental health center, and middle schools/high schools during her career. She has also taught for ISU as a lecturer and enjoys conducting presentations for school districts, DHS, and other organizations around the state.
