

# IFAPA TRAINING

for foster, adoptive and kinship parents and workers

## “Where’s the Map?” - Helping Your Child/Teen Navigate the Social World

From the classroom to the computer, how do we help our children know how to navigate social situations appropriately when they seem to be changing faster than we can get a handle on? Join the discussion on play groups, bullying, peer pressure, social networking and online gaming and learn how to empower yourself and your child. Appropriate for families with children of all ages, this training will help provided insight into the challenges our children/teens encounter in face-to-face and cyber social situations.

**Approved for 6 Hours of Foster Parent Credit**

## About the Trainer:

**Joann Seeman Smith, Ph.D., LMHC**

Dr. Joann Seeman Smith is a Licensed Mental Health Counselor who specializes in diagnosis, and treatment of children and adolescents with

attention-deficit disorder, learning disabilities, autism-spectrum disorders, behavior problems, depression and bipolar disorder, anxiety, and adjustment difficulties due to abuse, bereavement, or divorce. In addition to standard short-term and traditional talk therapies, Dr. Seeman Smith has expertise in using play therapy approaches with children, teens, and families, including children and families with attachment-based difficulties.
